Dear Mr. Wasfy Abushaban,

SUBJECT: GREENTECH / FUEL SAVING DEVICE

With reference to the above subject, we would like to inform you that we have tested your products for 15 vehicles (Light and Heavy Vehicles) for more than 3 months where we found the performance of all the devices is up to our expectation and we are fully satisfied with it's results.

As an average, the fuel saving was between 15% to 25%.
 Find below summary of the results of 3 heavy vehicles.
